

## Maximizar

Maximiza la ventana que abrimos con Rocketbot.

Este comando solo se debe agregar.

The image shows a dialog box titled "Maximizar" with a computer monitor icon. Below the title is a question mark icon followed by the text "Maximiza una ventana". There is a large empty text input field with a vertical scrollbar on the right side. At the bottom right of the dialog, there are two buttons: "Agregar Comando" (Add Command) in a blue box and "Cancelar" (Cancel) in a grey box.
