

Esperar

Hace esperar al sistema por N segundos y luego sigue ejecutando los comandos.

The image shows a configuration dialog for the 'Esperar' (Wait) command. It features a stopwatch icon and the title 'Esperar'. Below the title is a help icon and the text 'Hacer esperar al sistema por N segundos'. A label 'Seconds' is positioned above a text input field containing the number '10'. At the bottom right, there are two buttons: 'Agregar comando' (Add command) in blue and 'Cancelar' (Cancel) in grey.
